BIOGRAPHICAL DATA FORM

The Society of Woman Geographers is an organization of accomplished women whose common link is the intellectual and scientific exploration of some area or aspect of the earth's phenomena, including human adaptations. Their achievements and goals underwrite a commitment to the advancement of geographical understanding in the broadest sense through their shared knowledge and skill, permanent records of their work and outreach to others through education.

Before filling out this form, please review the criteria for membership that can be found on our website.
